

# JIRA

TEAM ID	PNT2022TMID45392
PROJECT NAME	SMART WASTE MANAEMENT SYSTEM IN METROPOLITAN CITIES

The image displays two screenshots of the Jira Software interface for a project named 'evangeline'.

**Top Screenshot: EV board**  
The 'EV board' view shows a Kanban-style workflow with three columns: 'TO DO', 'IN PROGRESS', and 'DONE'. The 'TO DO' column contains a '+ Create issue' button. The 'IN PROGRESS' and 'DONE' columns are currently empty. The left sidebar shows the project navigation menu with 'Board' selected under the 'PLANNING' section. The top navigation bar includes 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps'.

**Bottom Screenshot: Roadmap**  
The 'Roadmap' view displays a timeline of project milestones and sprints. The timeline is organized by month, with 'NOV' (November) visible. The milestones are listed on the left, including 'EV-1 sprint1', 'EV-2 sprint2', 'EV-3 sprint3', 'EV-4 sprint4', 'EV-5 project planning phase', 'EV-6 project design phase2', 'EV-15 project design phase1', and 'EV-19 ideation'. The timeline shows the duration of each sprint or phase as a horizontal bar. The 'EV-5 project planning phase' and 'EV-6 project design phase2' are marked as 'DONE'. The bottom of the interface shows a navigation bar with 'Today', 'Weeks', 'Months', and 'Quarters' views, along with a 'Quickstart' button.
