CLOUDANT DATABASE

The screenshot displays the IBM Cloud console interface. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (EVANGELINE S's Accou...). The main content area is titled "Resource list" and features a table with columns for Name, Group, Location, Product, Status, and Tags. The table lists two Cloudant database resources. Below the Resource list, the details of a specific database are shown, including its name, status, and a list of connections. The connections table has columns for Name, Group, Route, and Status.
