

Create Node RED Service

Team ID	PNT2022TMID45392
Project Name	Smart Waste Management In Metropolitan

The screenshot shows the IBM Cloud Dashboard. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user profile (Arul Jothika 81241910...). The main content area is titled "Dashboard" and features a "For you" section with several recommended actions: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "IBM Watson Knowledge Catalog" (Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform), "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud), and "App Connect" (Instantly connect applications, data, heritage systems and modern technologies, even without single line of code, with II App Connect). Below this, there are sections for "News" (Introducing Badges to IBM Cloud Certification, Announcing IBM SevOne Network Performance Management Version 6.4, IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management), "Recent support cases", "Planned maintenance", and "IBM Cloud status". The bottom of the dashboard shows a weather widget (75°F Partly cloudy) and a taskbar with various application icons.

The screenshot shows the IBM Cloud Catalog. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user profile (Arul Jothika 81241910...). The main content area is titled "Catalog" and features a search bar with the text "node". Below the search bar, there is a list of search results: "Node-RED App", "Node.js Express App", "Natural Language Understanding Node.js App", "Code Engine", "Natural Language Understanding", "CloudHedge App Modernization Platform", "AI / Machine Learning (17)", "Analytics (10)", "Blockchain (1)", and "Databases (28)". To the right of the search results, there are two featured service cards: "AnonTech ViziVault Platform" (Manage personal information as-a-service safely, securely, and in compliance with data privacy regulations using ViziVault) and "API Connect" (An enterprise-grade platform for creating, securing, managing, sharing, monetizing, and analyzing custom APIs located on-premises and on the cloud). The bottom of the catalog shows a weather widget (75°F Partly cloudy) and a taskbar with various application icons.
